Dear Members,

For many years, it has been the goal of the Pontelandolfo Community Club to build a chapel dedicated to the patron saint of Pontelandolfo, San Donato. This year, that goal will become a reality. In the words of our President, Tony Rubbo, "We have accomplished a lot in the last 50 years, but this project will be the crowning achievement of our efforts, a place where our spiritual thanks can be offered to San Donato not only during our annual festival but year round." A permanent mosaic of San Donato will be part of the structure while the statue itself will be placed in the chapel for the duration of the Festa di San Donato.

In early April, the Pontelandolfo Club members started the building of the chapel in the upper pavilion area. Many members have been donating labor and material to aid in the construction efforts and others have already pledged their support and monetary contributions for the project which will be completed in time for the Festa di San Donato 2010. As a result, we are providing you with this opportunity to donate and remember a loved one at the same time.

A financial donation will help in funding the chapel project and in return you can have your name engraved or that of the memory of a loved one on a granite plaque or brick paver that will be installed in and around the chapel area.

Donations of **\$1000** and above will entitle the individual to receive the first and last name of him and his spouse to be engraved on a community Dedication granite plaque i.e. "**John & Jane Doe**" and installed inside the chapel.

Donations of **\$500** and above will entitle the individual to receive the first and last name of a loved one engraved on a community Memorial granite plaque i.e. "**John Doe**" and installed inside the chapel.

Donations of **\$200** will entitle the individual to receive 3 rows with a 13 character limit for each row for name(s) engraved on a Brick Paver i.e. "**John Doe Family**" and installed in the surrounding chapel courtyard.

We hope that you will consider a pledge to help us see our dream come true.

Thank you in advance for your effort and support.

Sincerely,

Nick Perugini
